## SPECIAL INFORMATION REGARDING DROP OFF/PICK UP

To minimise traffic issues we ask parents to consider the safety of all when dropping off and collecting children.

The following parking strategies have been put in place:

### 1. DROPPING OFF

- ☐ Staff and Primary School car parks will be closed
- ☐ Children can be **dropped off** at the Primary School gate as in the mornings using the stop and drop zone. A staff member will direct children to the hall. **(Please do not block the drop off zones or turn-around by parking your vehicle)**

### 2. PICKING UP

As all children need to be collected by a responsible adult at the end of each disco we could have some parking issues. To avoid congestion we ask that families consider carpooling or make arrangements for one parent to collect a number of children. A note regarding this is attached and your child/or the collecting parent should bring this to the disco to show to a staff member on dismissal.

Parents with children **attending both discos** are advised to drop their primary children when they collect their infants children. A staff member will supervise years 3 to 6 children in the COLA area prior to the primary disco. Once inside the hall **no child will be allowed to leave without a responsible adult**. We ask all adults to please wait outside the hall in the COLA area for the children to be dismissed. These procedures have been put in place to maximise the safety of all children.

Thank you for your co-operation
